

WHY THE CHECK AND BALANCE SYSTEM HAS FAILED US!

The Public Administration Clearing House (P.A.C.H.) at 1313 E. 6th Street in Chicago was organized under the direction of a socialist named Charles E. Merriam who was funded by the Rockefeller family. The purpose of the P.A.C.H. has always been to bring all public officials under one system of control as is evidenced by the Hindman Chart (reverse side).

The Rockefeller family provided 8 million dollars in the thirties to establish this clearing house so that they could control the indoctrination of state-wide public officials, and persuade them as to the direction they ought to pursue, all the while, rendering themselves submissive to the consolidated power building up in Washington, D.C.

Merriam authored a book which was published in 1941 entitled: On The Agenda Of Democracy. In his book, Merriam defines democracy. It is what is also known as communism! He said that revolution was "the old way...the new way is education, persuasion, participation, and cooperation". He taught how to achieve communism:

"Fortunately, our Constitution is broad enough in its terms, flexible enough in its spirit, and capable of liberal enough interpretation by the judiciary to permit the adaptation of democracy to changing conditions without serious difficulty."

"Legislative bodies are incompetent, it may be said, or corrupt, or dilatory, or unrepresentative of the general interest of the community."

"The elective process is not favorable to the choice of the leaders of the community." ...Chas E. Merriam

The Advisory Commission on Intergovernmental Relations (A.C.I.R.) was grafted onto the federal government in 1959. Its duty was to draft legislation to be handed to public officials all over the nation. These were called "slip bills". Public officials were thus expected to get whatever was handed to them -- passed into law! This made the public officials look like great thinkers to the folks back home! A.C.I.R. thus became the nation's law-making factory. In this manner unified laws were passed that took over. Gradual consolidation of all power and control was then achieved by public officials in Wash., D.C.

The governors also became members of P.A.C.H. and A.C.I.R. Their indoctrination and co-ordination for a "new world order" comes by their attendance at the annual "Governor's Conferences". Elections have been engineered so that those who will co-operate (with the desired power and other structural changes being sought to alter American Constitutional government) get heavily financed and then moved into key positions of elected office.

During the seventies, all local control was moved to the federal level by persuading local and state officials to accept federal revenue sharing funds and to adopt "general plans" for cities and communities. These must comply with the federal mandates set down for socialism and centralized control. Having achieved the objective of acquiring all control over every aspect of American government, including people, land, armed forces, etc., the federal government has devised ways by which it now transfers (what it has formerly consolidated unto itself) to the United Nations through purported "treaties" to empower the United Nations to have complete control over the "New World Order" government. Included in the plan is gradual abolishment of states, cities, counties and land ownership. The nation's governors quietly co-operate in the planned arrangement for the dissolution of the very states they were elected to "preserve, protect, and defend." State officials were supposed to keep the federal system in check! They have actually joined in the subterfuge!

This network was developed by the Rockefellers in order to indoctrinate American public officials and redirect the course of American government so it could be taken over and managed by global government.

The above chart was drafted by pioneer reporter Josephine Hindman.

RE: METRO CHART...With closer scrutiny one can see that all facets of city, county and state governments are locked into this program. To function they need the federal revenue sharing funds, and the federal grants. Please review carefully the 23 divisions or groups itemized on the left side of the METRO CHART. The operation and implementation of their objectives converts our local self-determinations into federal socialist programs.
