

JACKSON WARNS THE GUARDIANS OF LIBERTY
TO BE WARY OF ACTORS!

“You have no longer any cause to fear danger from abroad.... It is from within, among yourselves, from cupidity, from corruption, from disappointed ambition, and inordinate thirst for power, that factions will be formed and liberty endangered. It is against such designs, whatever disguise the *actors* may assume, that you have especially to guard yourselves.

You have the highest of human trusts committed to your care. Providence has showered on this favored land blessings without number and has chosen you as the guardians of freedom to preserve it for the benefit of the human race.

May He...enable you, with pure hearts and pure hands and sleepless vigilance, to guard and defend to the end of time the great charge he has committed to your keeping....I thank God that my life has been spent in a land of liberty.”

....Andrew Jackson – 7th President of the United States.

Comment: The people are the best guardians of liberty, more so than the Congress. The reason the people are now losing their liberty is because too many elected representatives have turned out to be only *actors*, pretending to be worthy of the people’s trust!
