PUBLICATION LIST

We have the following items available:

- PRO GUN LEGISLATION - Every state can protect itself from federal gun laws and require public officials to abide by the principles of the Second Amendment. This is the solution to all the bad gun bills being written. Is not new law - enforces what is already existing law! This legislation is currently being carried in the California Legislature by Senator Richard Mountjoy. Prohibits federal legislation from applying to citizens of a state. Prohibits foreign troops from entering private homes searching for firearms. Uses the people's residual power to supersede public officials who are forcing unjust laws upon us! **\$5.00**
- HEARING HELD IN CALIFORNIA - before the Senate Judiciary Committee in an effort to get protective "Hanford Pro Gun Legislation" passed into law. Testimony by Bernadine Smith in defense of gun owners. Video **\$10.00**
- THE PRIMER - Contains oaths of anti-gun public officials who had pledged to defend the U.S. Constitution. Includes other papers used at public hearing as California State Sen. Don Rogers sought to repeal anti gun Roberti-Roos Bill in 1991. **\$5.00**
- GEORGE WASHINGTON'S 1790 PLAN AND 1792 LAW - George Washington's plan for the operation of a well-regulated militia. **\$5.00**
- IN DEFENSE OF THE MILITIA - (9 sections) - This is an extensive and extremely valuable assembly of documents and is a "must" for anyone who believes that the people have the right to keep and bear arms. Supports restoration of the militia system, composed of the body of the people. Important necessary historical documents included to use to defend the re-institution of the militia system. Includes George 'Washington's 1790 Plan and 1792 Law. This compilation contains a copy of an original 1862 Militia Role Book with a Certificate to guarantee its authenticity. **\$20.00**
- "ESSENTIAL DOCUMENTS THAT EVERY GUN OWNER AND SUPPORTER OF THE CONSTITUTION SHOULD OWN" - This compilation is worth its weight in gold! Compiled to satisfy the needs of every gun owner. Recommended for presidents of gun clubs! Complicated and controversial gun issues simplified! Cuts out the government malarkey and takes you back to basics. This prime research is ready for you to defend yourself in court against the anti-gunners. Stand alone sheets for easy reproduction. Attractively displayed with graphics. Charts demonstrate proper functioning of U.S. Government system. A minimum of 54 essential reliable documents. Comes in a three-ring binder exhibited in plastic page protectors. Included is a copy of Public Law 87-297 and State Department Publication 7277. Also contains a copy of Senate Constitutional Amendment #14, an active pro-gun bill in the California State Legislature, (R-Sen. Mountjoy). **\$50.00**
- "THE SECOND AMENDMENT WAS MEANT FOR PEOPLE TO USE TO CONTROL TYRANNY" -- This valuable 4-page research paper sets the record straight regarding the real function of the Second Amendment. In the Bill of Rights. Comes as a part of a set which also includes "Interpreting the Meaning and Purpose of the Second Amendment," with a sentence diagram of the Second Amendment; Bill of Rights with article on its Preamble and chart demonstrating proper operation of the Constitutional system. **\$5.00**
- N.R.A. IS WRONG - An expose' on the N.R.A. This package demonstrates the reason why the Hanford Pro-Gun Legislation had to be written. Exposes N.R.A.'s wrongful guidance, which actually made gun owners vulnerable for prohibition of all firearms by public officials. "State pre-emption" is not the answer to saving firearms. **\$10.00**
- THE OVERTHROW OF THE UNITED STATES CONSTITUTION - A REPORT ON REGIONAL GOVERNMENT by Bernadine Smith.
