

A vote for Public Law 101-216 is a vote to support its parent document, Public Law 87-297. This is a clear-cut violation of the oath of office. Elimination of the nation's common defense destroys the sovereignty of the nation and obsoletes its Constitution!

Republicans and Democrats! Is there a dime's worth of difference? Public Law 101-216 was only a 3 page bill! It was no big job to find the definition of disarmament which was plainly in view, yet Congress voted to continue financing the giving away of our armed forces to the United Nations.

Look closely at the names of the congressmen who voted to support Public Law 101-216. It passed the Senate by voice vote.

This law divests us of all of our armed forces! That means No Army! No Navy! No Air Force! No National Guard!

George H. W. Bush! You signed this into law! As president neither you nor the Congress were vested with the power to deprive this nation of its military.
